Bong Education Center Alumni Association (**BECAA**) is a non-profit 501c3 organization, founded in 2002 (incorporated in 2004) through hard and harrowing initiatives of many former students of Bong Education Center, Bong Town School and Zaweata School, Bong Mines, Liberia.

BECAA was founded to, among many core purposes, serve the needs of our Alma mater and network/socialize among our membership, while combining our financial resources to help support the current students of what is now Bong Mines Central High School (BMCHS). To date, BECAA has contributed over \$15,000 to support BMCHS.
